Amy: Did the Governor tell you he'd sign the picture? I could try to get our communications dept to have it printed so that he could autograph it and send it back to Cory. Would that work?

kelly This is a picture of my son, Cory Scribner, with

Governor
Musgrove. We were at the State Department of Education to celebrate
the retirement of my Aunt Frances Coggins for 50 years of teaching.

Governor Musgrove was standing out front when we finished and
Cory just
walked up to him and shook his hand. It tickled him to death!

I want to thank you and Governor Musgrove for visiting today it
was
definitely a surprise.

I am sending 3 separate emails because the pictures are so
large.
